

## APICS 2012 Scholarship Planning Committee

Objective: Award a limited number of scholarships towards APICS certification courses and testing in Q1 2012.

### Guidelines:

- A. Pay 50% of APICS member rate on the course as long as the final exam is taken. Pay 100% of the testing cost if final exam is passed.
- B. Scholarship submittal request must be received no later than 2 weeks prior to the course start date.
- C. Award 1 CPIM and 1 CSCP scholarship in an award period or award 3 CPIM and 0 CSCP scholarships in an award period.
- D. Submit 2000 word maximum essay discussing the following elements:
  - a. Why candidate is interested in earning an APICS Certification
  - b. What efforts have been made toward certification thus far
  - c. Why your company does not support this
  - d. Why you need this scholarship
  - e. What you hope to achieve as a result of this effort
- E. Submit professional work resume including three references.

### Eligibility:

- A. APICS Member
- B. Company has been asked to sponsor CPIM/CSCP Education and Testing and has refused.
